Single Premium License

Our SINGLE PREMIUM license allows you to use the Recording in a single Project:

A **Commercially Distributed* Project** that is otherwise permitted under a Standard License

In an advertisement distributed in a single Territory**:

- on television (whether distributed via broadcast, cable, or in an “on-demand” context)
- on the radio, or
- in theaters

In a film or theatre production, provided the budget for such film or theatre production does not exceed (USD) €1,000,000

In **point of sale locations**, provided all such locations are located within a single Territory**, including but not limited to usage in:

- shopping malls,
- point of sale systems
- in-store displays,
- showroom videos,
- trade shows, industrial fairs and exhibitions.

**A Territory shall be a single sovereign nation.

Notwithstanding the single-use license granted by a Single Premium License, Recordings licensed under a Premium License may be distributed an unlimited number of times in connection with the underlying use, expressly including translations thereof.
